In principio erat verbum et verbum erat apud deum et deus erat verbum. Hoc erat in principio apud deum. Omnia per ipsum facta sunt et sine ipso factum est nichil. Quod factum est in ipso vita erat: et vita erat lux hominum et lux in tenebris lucet: et tenebre eam non comprehenderunt. Fuit homo missus a deo cui nomen erat iohannes. Hic venit in testimonium ut testimonium perhiberet de lumine: ut omnes crederent per illum. Non erat ille lux sed ut testimonium perhiberet de luce. Erat lux vera que illuminat omnem hominem venientem in hunc mundum. In mundo erat et mundus per ipsum factus est: et mundus eum non cognovit. In propria venit: et sui eum non receperunt. Quotquot autem receperunt eum dedit eis potestatem filios dei fieri his que credunt in nomine eius. Qui non ex sanguinibus neque ex voluntate carnis neque ex voluntate viri sed ex deo nati sunt. Et verbum caro factum est et habitavit in nobis. Et vidimus gloriam eius gloriam quasi unigeniti a patre plenum gratie et veritatis.
